# THE NORDICS AT THE FUTURE BATTERY FORUM

*5-6 November 2024 | Berlin, Germany*

For the second year, the Nordics invite you to participate in the **Future Battery Forum** in Berlin, one of Europe's key battery conferences. Together we will host a 'Nordic Stand' on the exhibition floor and provide business matching services and exclusive networking opportunities.

## Save the date!

**Date:** 5-6 November  
**Place:** Berlin, Germany

**Outline:** Co-exhibit in the Nordic stand  
Join an exclusive embassy networking event

- Participants are required to obtain their own tickets to the Future Battery Forum.
- An additional attendance fee will be charged to attend the Nordic activities.
- Nordic participants are eligible for **30% discount** on Forum tickets via a promotion code.
- Participants are responsible for their own travel-related reservations and fees, such as flights, hotel, transfers etc. outside of the Nordic activities at the Future Battery Forum.

## Why join?

- Gain exposure as part of the Nordic narrative at Europe's leading battery conference and access the senior global battery network that attends the fair
- Leverage the Nordics' networks and relationships to fast track your commercial engagement in Germany, through business matching & networking
- Benefit from the Nordic presence in the exhibition hall and thematic content, as well as a Nordic panel on stage during the conference program

**A formal invitation with more details on the program will be sent to you soon!**
